

Mark Cuban Cost Plus Drugs

SmithRx has partnered with Mark Cuban Cost Plus Drugs to provide savings on your high-cost generic medications.

Program Summary

SmithRx has partnered with Mark Cuban Cost Plus Drug (MCCP) to offer you a lower cost for select generic medications through mail order. If you have a high deductible plan, you will get the MCCP discounted price. If you have a standard plan, you will receive your medications for \$0. Other generic medications (not amongst the select set) can be filled at your plan's mail order copay. Mark Cuban Cost Plus Drug's fulfillment partner is Truepill.

FAQ and Contact Information

- Common questions about MCCP, insurance, orders, shipping, etc. can be found at: costplusdrugs.com/faq/
- Specific inquiries about MCCP can be sent to: costplusdrugs.com/contact/support
- To contact Truepill, call: 650-353-5495
- To contact a Connect Access Specialist, call: 844-385-7612
- Medication will be shipped via USPS. Temperature-sensitive medications, via FedEx (please see costplusdrugs.com/faq/ for more details)

Transitioning a Script to Mark Cuban Cost Plus Drugs

If you take a drug that qualifies for significant savings, SmithRx will work with your provider to get a script for your medication(s) sent to Mark Cuban Cost Plus Drug Company. Once the script is received, you will receive an email confirming its receipt. You can then go to costplusdrugs.com to your account and order your medication. Your insurance will cover standard shipping. You will be responsible for the cost if it needs to be expedited. Once ordered, the medication will be shipped to your home. You will receive an email when you can order a refill and when you run out of refills. See below for detailed instructions on the transition process:

1. Email Confirming Your Prescription

You will get an email (from: noreply@costplusdrugs.com) that confirms the receipt of your prescription from your doctor and asks you to "Check out now."

2. Sign-In to Cost Plus Drugs

Sign-In to costplusdrugs.com.

3. Add to Cart

You will be taken to a screen that shows the prescription called in by your provider. Confirm the details and click "Add to cart."
